

DIGITAL TREASURE HUNT

(Verb Tenses Games for Year 4 Pupils)

Prepared by: Nur Azizah Bt Jemat
PISMP BI Jun 2015

ADVANTAGES:

WHY DO WE NEED IT?

OBJECTIVES:

- To develop motivation in learning English language among primary ESL pupils.
- To enhance the pupils' use of verb tense by incorporating interactive digital treasure hunt game in English Language lesson.

- A digital platform that creates fun learning environment, motivates the pupils to learn English and encourages self-assessment.
- Cost effective.
- No internet connection required.

This game is conducted as a reinforcement activity after the pupils have learned about the verb tenses.

Targeted group:

- Primary 4 pupils with mixed abilities

HOW TO PLAY THE DIGITAL TREASURE HUNT?

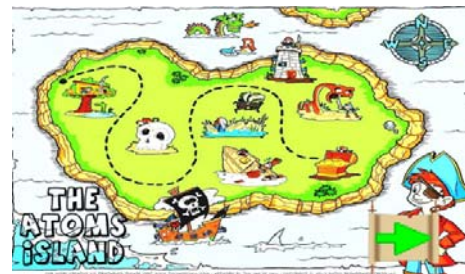

> To start the game, click on the 'Play' button.

> Before the pupil can start treasure hunting, they must read and recall some information regarding the verb tenses.

> Then, the map is revealed and the treasure hunting started. There are several destinations that the pupil need to go before the pupil can find the treasure.

> Then, the pupil must play the mini games inside while treasure hunting.

> Next, the pupil must answer some quizzes to test his or her knowledge on verb tenses.

Mouse _____ cheese so much.

A) like

B) likes

> Finally, the pupil can find the treasure and open it.
