The Aim of the Game

- Simulate the actual life situation to demonstrate the way we arrive at Moral Decisions
- To show how some of us actually ignore the Affective part of our life (inner voice in us telling us to do the right thing) which we choose to ignore

TEACHING OF MORAL

- BASE ON
- **WHOLE CHILD MODEL**
- - **MORAL REASONING (Cognitive)**
- - **MORAL FEELING (Affective)**
- - **MORAL ACTION (Action)**

Fokus Pendidikan Moral

THE WHOLE MODEL

- Teach Moral / Ethics using all the three components...
- Moral thinking
- Moral feeling
- Moral Action
