

UNO VERB

Prepared by: FITRI MARDZIAH BINTI SAPHERI
PISMP BI Jun 2015

Unable to distinguish the first person and third person singular

PUPILS

Confusion of present tense and past tense

Cannot differentiate 's' usage for third person singular verbs and possessive noun.

OBJECTIVES

To improve the usage of third person singular verbs in present tense form using colour-coded strategy

To promote motivation in using correct usage of third person singular verbs in present tense form using card game.

Why UNO?

- ❑ colour change can positively influence students' learning outcomes.
- ❑ games employ meaningful and useful language in real contexts indirectly.

Choose the correct verb.

He clap__ loudly.

- clapes
- claps
- clapies

HOW TO PLAY

- click a card on the PLAY pile that is the same COLOUR and say the word that is on the card. You have to state which the subject refers to third person.
- If you answer it correctly, you get to answer the special round.
- If you don't have a card that you can put down, pick up a card from the PICK UP pile.
- In special round, choose the correct verb that refers to the subject (third person singular)
