WHAT YOU SHOULD KNOW?

Mushroom Quest is an interactive learning medium created using Microsoft Power point. In this medium, the pupils are going to be introduced the correct usage of subject verb agreement. Once they have completed their learning session, they will move on to another session which is answering questions provided. Mushroom Quest takes the concept of completing a quest as the theme of this interactive medium for the pupils to learn in a fun way.

OBJECTIVES:

1. To help the pupils grasp the rules and usage of subject verb agreement using game.
2. To provide a new platform for the pupils to learn subject verb agreement effectively.
3. To promote a fun way of learning which will provides a stress free environment for the pupils.

WHY?

- Subject-verb agreement area is very important to express ideas especially in writing, where non verbal communication is absent
- Crucial for the pupils to know the correct form of subject verb agreement to be used because accurate grammar helps to convey meaning in utterances apart in helping them to express their ideas and opinions precisely.
